

A hello from the Chairman of Chearsley Parish Council

To all of those great residents of Chearsley and the surrounding villages I wanted to write in order to record my considerable admiration, along with my fantastic Parish Councillors, for the folks amongst our great villages that are not only keeping themselves active and smiling but also the selfless work they are doing for others.

Whether it may be helping with shopping , picking up medication, giving lifts to an important appointment, talking with folks over the phone who may be lonely and concerned and much more , you are all glowing stars of brilliance and we along with many others thank you for all you do and are doing.

Sharon and her team offering good wholesome food as a Takeaway option, Jey and Sugi working so hard to keep the shop stocked and delivering to folks in the village who are more vulnerable, Susan Olding heading up our Good Neighbours Scheme supported by many volunteers running errands for others, our Vicar Richard on hand with pastoral care and so many other folks all playing various supporting roles, it is all truly appreciated and wonderful.

Please also bear in mind there are Allotment spaces available if you fancy growing your own produce and are fed up with the Supermarket drudgery, can't beat some home-grown vegetables and fruits so have a go. Maureen Gillis is your contact on maureen@mgillis.uk or my phone number is 07776 161644.

These folks above and all our village neighbours need your and our ongoing support so please keep it going as when the World and Chearsley are healed we can bask in the knowledge that all did their bit in getting there.

Then there will be a party!!

Stay safe and well all

Best
